Authorization for this examiner's amendment was given in a telephone interview with Richard Treanor on 6/21/05.

The application has been amended as follows:

Claim 15 has been amended to reposition and enhance the period at the end of claim 15.

**Claim 15 (New):** A coformulation comprising a first-pass effective amount of at least one substantially pure compound selected from the group consisting of compounds of Formulae V-X and at least one drug subject to the first-pass effect and having an oral bioavailability of 50% or less:

The following is an examiner's statement of reasons for allowance:

In light of the amendment of 3/21/05 canceling claims 1-14 and adding claims 15-16 the claims are allowed. The prior art neither teaches nor suggest the compounds as presently claimed. Neither do the claims as presently recited overlap the parent compounds.

Accordingly, claims 15-16 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
